VAMOS A COMENZAR!

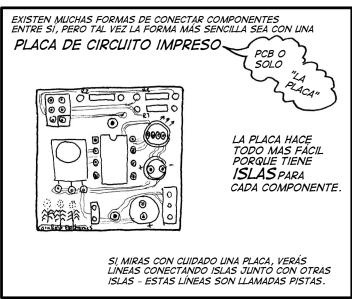

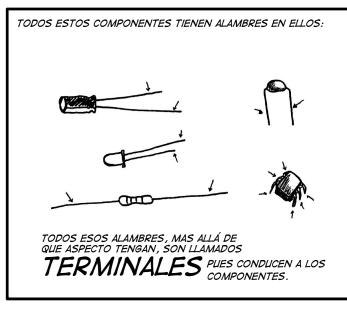

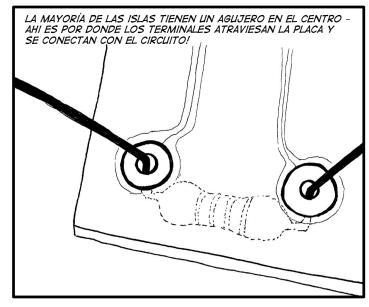

RESPIRES EL REPUGNANTE HUMO.

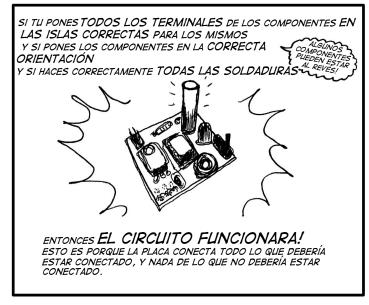

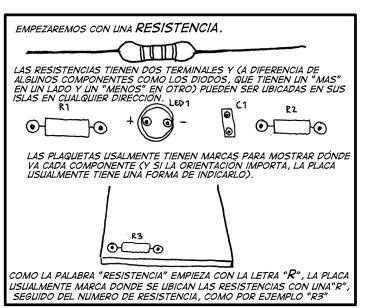

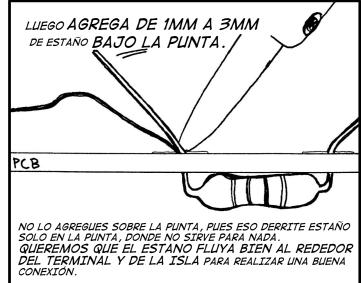

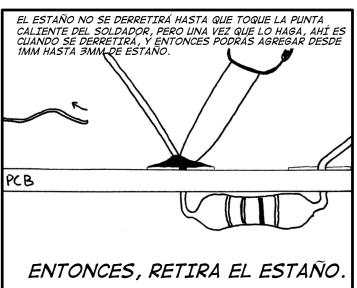

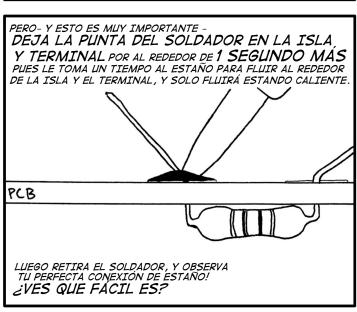

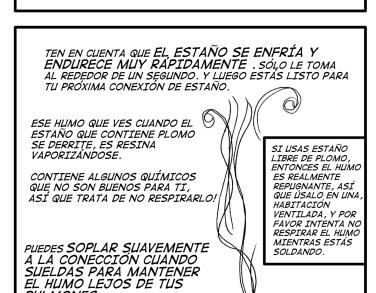

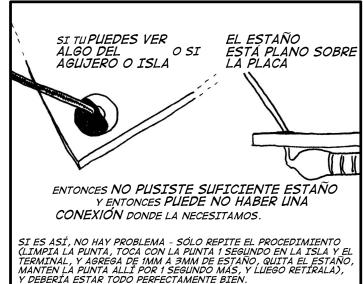

PULMONES.

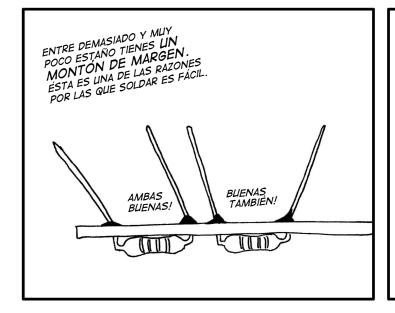

ALGUNAS PERSONAS PREFIEREN SOLDAR DESPUES DE HABER AGREGADO UN MONTÓN DE COMPONENTES A LA PLACA.

YO PREFIERO AGREGAR Y SOLDAR SÓLO UN COMPONENTE A LA VEZ. ME RESULTA MÁS FÁCIL YA QUE NO HAY TANTOS TERMINALES QUE SE INTERPONGAN EN EL CAMINO DE MI SOLDADOR.

ADEMÁS, SI AGREGO MAS DE UN COMPONENTE A LA PLACA A VECES OLVIDO SOLDAR UNA ISLA, YA QUE NO ES TAN FÁCIL (COMO PENSARÍAS QUE SERÍA) PODER VER CUALES CONEXIONES ESTÁN SOLDADAS.
